Volume 1, Issue 8

As part of our commitment to excellence we are proud to welcome you to our company's newsletter.

At Precision Turbines it is important to us to create a newsletter that will appeal to the broad spectrum of clients we serve. We will continue to strive to bring you the most informative and up to date aviation news, and touch on a variety of topics such as, safety, air transport, flight instrumentation, and corporations. We are always open to suggestions, if there are topics you would like to read about, please let us know.

At Precision Turbines we purchase, sell and lease turbofan and turboprop engines, with special focus on the JT15D and it's upgrades. We are totally devoted to serving our customers in an honest and professional fashion. Our employees stand ready to meet your needs in these markets, and we look forward to putting our experience to work for you. We hope to hear from you. www.precisionturbines.net

GULFSTREAM SAYS DEMAND FOR BUSINESS JETS STRONG

Joe Lombardo, president of Gulfstream Aerospace, said on Wednesday the demand for business jets remains strong, despite a downturn in... [Read More](#)

FUEL EXPENSE ISN'T THE CRISIS

Here's some heresy. The airline industry's real problems are not fuel-based. Just parking airplanes, reducing capacity and dropping suddenly-unprofitable routes only make a dysfunctional airline system a little smaller. That's because most carriers have ignored controlling the No. 1 cost metric in the scheduled airline business:... [Read More](#)

VIDEO OF THE WEEK: TWIN OTTER LANDING ON A FROZEN LAKE

We see so many videos of pilots making mistakes and living with the consequences that it's always a pleasure to share a video of pilots dealing well with harsh conditions... [Read More](#)
